PHYSICIANS say that Davis, Pain Killer is one of those nice little stricles which is calculated to relieve an immense amount of suffering incident to human life. Its action on the system is many times like magic—se instantaneous—the pain is gone at once.

For the almost miraculous extraction of pain, no midicine was ever discovered ecual to be Pain Killer. It is used in certain cases externally and internally, benever eternally, like too many preparations. Full directions accompany each Bottle.

The Pain Killer almost immediately cures the following morphaints, viz: Chili and Fever, Cholera, Cholera Morbus, Diarrhoea, severe Burns, Dyspepsia, Pamier's Cholic, Piles, Boils, General Debility, Coughs, Head Ache, sudden Colds, swelled joints, Cramps and Spasms, Rheumatism, Pains in the Back and Side and various other complaints; in fact it is a PAIN KILLER!
